PATH INTL. INSTRUCTOR CERTIFICATION PROCESS

PATH Intl. offers three levels of Instructor Registered Certification for therapeutic riding: Registered, Advanced and Master. This Instructor Workshop and/or Registered Certification is for the Registered Level.

In order to become a PATH Intl. Certified Instructor, a candidate must successfully complete the two phases of the Registered Certification process. For current information on this process, please refer to the booklets provided on the PATH Intl. website at www.pathintl.org under the *Certification* drop down menu. Any questions regarding Phase One should be directed to the PATH Intl. office, and questions regarding Phase Two should be directed to the PATH Intl. office or ROCK.

Phase One (PATH Intl.)

Upon submission of the Registered Instructor Application Form, an application fee, copies of current Adult & Child CPR and First Aid Certification cards, and PATH Intl. membership number or application to the PATH Intl. office, you will officially enter into Phase One. Upon receipt, PATH Intl. will e-mail you **Phase One Instructions**. These instructions include access to the following online components:

- Standards Course
- Instructor Self-Study Course
- Pre-certification Self-Assessment

NOTE: Candidates have **12 months** to complete Phase One. Please note the Standards Course with Exam has a 60-day timeframe and the Instructor Self-Study Course has a 180 day timeframe.

Upon successful completion of Phase One, candidates will receive confirmation of Instructor-In Training status via email from the PATH Intl. office. At this point, a candidate is considered a **PATH Intl. Instructor-In-Training**. You may retain this designation for **twelve months** from the date of your Confirmation Letter.

Phase Two (Host Site –ROCK)

Within the twelve month timeframe, candidates must have completed all the components of Phase Two. These components are:

- Complete 25 hours of practice teaching group mounted therapeutic riding lessons under the guidance or direct supervision of a PATH Intl. Certified Instructor
- Attend a Registered Instructor Workshop PRIOR attending a Registered Certification
- Successfully complete a Registered Instructor OnSite Certification.

If you are interested in attending the Instructor Workshop and/or Registered Certification, please complete the attached form and mail with appropriate fees to the address listed. Please include a copy of your confirmation of Instructor-In-Training status letter from Phase One if registering for Certification. Candidates are registered on a first come-first served basis, so make sure to register early. All Certification Candidates **must** register 32 days prior to the Registered Certification.

Once registered for the workshop and/or certification, ROCK will send **your Phase Two Paperwork**. The paperwork will include the following and will need to be completed and returned to the host site to complete your workshop and/or Certification registrations:

- On-Site Registration Form
- Liability, Photo Release and Confidentiality Forms
- Additional Forms for Registered Certification candidates:
- Instructor personal reference, professional reference, and essay questions
- Documentation of Group Teaching Hours Form

To participate in Registered Certification, complete the Phase Two packet and return to Center name with a copy of your PATH Intl. membership card, and current copies of your CPR and First Aid Registered Certification. All Phase 2 Forms need to be returned to the Host Site at least 32 days prior to the Registered Certification.
