PATH INTERNATIONAL

Professional Association of Therapeutic Horsemanship International

PATH Intl. Regional Conferences are designed for PATH Intl. members to come together in an enriching setting for networking and quality education. Abstracts are now being accepted for 2019 regional conferences. The association would like to invite individuals and groups who have knowledge and experience that would be of interest and relevant to an audience of EAAT professionals to submit an abstract to present. Topics of interest include, but are not limited to:
• Center administration
• Equine health and behavior
• Approved, completed research
• Program/Instructor areas of interest
• Equine-facilitated psychotherapy (The association encourages different approaches to EFP and is especially interested in presentations discussing EFP from a variety of therapy perspectives.)
