About PATH Intl.:

Professional Association of Therapeutic Horsemanship International (PATH Intl.), formerly NARHA, was formed in 1969 to promote equine-assisted activities and therapies for individuals with special needs. At more than 850 member centers, more than 54,000 children and adults find a sense of independence through involvement with horses. These member centers range from small, one-person programs to large operations with several certified instructors and licensed therapists. Through a wide variety of educational resources, the association helps individuals start and maintain successful equine-assisted activities and therapies for individuals with special needs. There are more than 45,000 volunteers, 4,300 instructors, 6,300 therapy horses and thousands of contributors from all over the world helping people at PATH Intl. centers.
