

New PATH Intl. Membership Levels FAQs

1. Q. What are the new membership levels?

A. The new levels are Participating Membership, Professional Membership and Professional Plus Membership. Click [here](#) to see the list of benefits for each level.

2. Q. What are the membership dues for each of the new levels?

A. Participating Membership ~~\$70~~ introductory pricing \$60
Professional Membership ~~\$100~~ introductory pricing \$90
Professional Plus Membership ~~\$190~~ introductory pricing \$175

Introductory pricing on memberships is valid 7/1/2019 through 6/30/2020.

3. Q. When can I purchase or renew my membership at one of the new levels?

A. The new membership levels will be available for purchase or renewal starting July 1st, 2019.

4. Q. What if I just renewed my membership and I want to upgrade to the professional or professional plus level?

A. Members whose membership expires after April 1, 2019 who have already renewed may upgrade their membership to the professional or professional plus level, paying only the difference in cost. Your expiration date will remain the same. To upgrade, download the membership upgrade form from the PATH Intl. website. The form will be available before the end of June.

5. Q. I am a PATH Intl. Certified Registered Instructor and I am not transitioning to the new CTRI certification this year; do I still need to renew my membership and at what level do I need to renew?

A. Instructor members who do not transition this year are required to renew their membership at either the professional or professional plus membership to maintain their certification.

6. Q. I have transitioned my certification to the PATH Intl. CTRI and I would like to voluntarily renew my membership; which level should I choose?

A. You may renew your membership at any level but the professional and professional plus memberships were created with the needs of credentialed professionals in mind. Both of these levels offer discounts on the PATH Intl. CTRI maintenance fee and access to free education.

7. Q. I am a current individual/instructor member; what membership level is equivalent to my current benefits?

A. The participating member level is equivalent to the current individual and instructor member benefits with the addition of the new PATH Intl. Perks by Abenity program benefit.

8. Q. I am a life member; what benefits will I receive?

Life memberships are equivalent to an individual membership, so life members will receive the participating member benefits and member discounts on certification items. Life membership does not cover the certification maintenance fee. Click [here](#) to see benefits.
